MiniLine Selection Guide

The MiniLine Series from Bosch Security Systems offers a wide range of dome camera solutions for use in virtually any surveillance and observation applications.

- Standard and high-resolution cameras, both color and monochrome
- A full range of lens options, from super wide-angle to telephoto
- Vandal-resistant for indoor and outdoor use
- NightSense® option available on all FlexiDome^{XT} models – NightSense helps to provide around-the-clock surveillance by delivering optimum image quality even at very low light levels.

We're committed to customer satisfaction.

Expanded and simplified, all Bosch products now come with a minimum 3 year warranty.
